### specifications

**Vendor Part Number:** 340

**Suggested Retail Price:** \$6,294.<sup>75</sup>

**Function:** The TRI-CORE Balance & Stabilization Multistation builds patient strength to promote independence, simulates real life activities for patient evaluation and provides excellent cardio and core workouts.

**Stations include:**

- Functional pulley
- STS Sit-to-Stand Exerciser
- 355 Series e<sub>1</sub> upper body platform with adjustable stand

**Assembly:** Required

**Pulley Features:** Include a 75 lb weight stack in 5 lb increments. Adjustable, rotating arms and swivel handles. Rotating arms adjust from ground level to 7 feet, 90° horizontally and 180° vertically.

**355 e<sub>1</sub> features:** Bi-directional flywheel. Magnetic resistance features 8 incremental positions. Equipped with a multi-function electronic pulse meter, which reads distance, time, speed, calories, and pulse. Platform allows the crank arm on the e-resistance system to be adjusted from 36" to 50" from the floor and allow for the unit to be used in a seated or standing position.

**STS Features:** Adjustable assistance allows the patient's progress to be documented. The support assistance is up to 230 lbs in 5 and 10 lb increments and is mechanically adjusted to provide a smooth and silent operation.

**Construction:** Durable powder coated 11 gauge tubular steel construction. Utilizes state of the art hardware and materials to provide years of uninterrupted service.

**Endorphin's industry best warranty:**

- 1 year bumper to bumper on all parts
- 5 years on all moving parts
- 20 years on the frame
