### specifications

Vendor Part Number: 365

Suggested Retail Price: \$5,698.<sup>80</sup>

**Benefits:** The Pro Gym CT is a total fitness center for building upper and lower body strength and size while improving cardiovascular capacity. Cross-training maximizes rehabilitation efforts in a shorter period of time.

**Options:** 410 Curl Bar  
412 Single Grip Handle  
417 Ankle Strap

**Construction:** Durable 11 gauge tubular steel construction. Utilizes state of the art hardware to provide years of uninterrupted service.

**Power:** None required

**Features:** Features include a 150 lb weight stack in 5 and 10 lb increments, vertical chest press, butterfly, lat pulldown, low pulley and leg extension / standing leg curl station. Leg extension assembly pivots out of the way to allow wheelchair accessibility.

**Displays:** 300 series e<sub>1</sub> is equipped with a multi-function electronic pulse meter, which reads distance, time, speed, calories, and pulse.

**Resistance:** Adjustable magnetic resistance features 8 incremental lever positions, which allows the user to have consistent resistance changes.

**Flywheel:** Bi-directional flywheel on the e<sub>1</sub> allows exercise with resistance in both the forward & reverse directions.

**Positioning:** Platform allows the crank arm on the e-resistance system to be adjusted from 36" to 50" from the floor and allow for the unit to be used in a seated or standing position.

**Assembly:** Partial assembly required.

**Endorphin's industry best warranty:**

- 1 year bumper to bumper on all parts
- 5 years on all moving parts
- 20 years on the frame
