specifications

Vendor Part Number:

390-LAT-150/68 - Lat Pulley 150 lbs
390-LAT-200/90 - Lat Pulley 200 lbs

Suggested Retail Price:

390-LAT-150/68 \$ 2,409.⁷⁵
390-LAT-200/90 \$ 2,724.⁷⁵

Options:

- A 200 lb / 90 kg physical weight stack providing resistance weight with a 10 lb / 4.5 kg top plate and 10 lb increment resistance changes.
- 396 Training Bench
- 397 Shoulder Rotation Attachment

Assembly:

Some assembly required to secure to wall

Function:

A functional, versatile and durable wall mounted lat pulley system designed to conform to any rehab setting, the 390-LAT offers upper and lower body exercise from either a standing or seated position. The lat pulley height is adjustable from 100" to 34" which provides the maximum range of motion and the pulley swivels to ensure alignment. Starting weight is 10 lb / 4.5 kg which is ideal to rehab function, strength, core, stability, de-weighting and coordination.

Construction:

Durable powder coated 11 gauge tubular steel and polished stainless steel adjustment column. High speed pulleys and military spec rope provide the maximum of uninterrupted service.

Features:

- A 150 lb / 68 kg physical weight stack providing resistance weight with a 10 lb / 4.5 kg top plate and 10 lb increment resistance changes
 - A 76" vertical scale adjustable in 2" increments for accurate and repeatable treatments
 - A height adjustable low pulley ideal for bicep curls or any low pull exercise
 - A height adjustable lat pulley gantry provides treatment angle control for seated patients
- The modular design allows the pulley system to be converted from wall mounted to double free standing and/or expanded to be a module on the tri or quad pulley systems.

Endorphin's industry best warranty:

- 1 year bumper to bumper on all parts
- 5 years on all moving parts
- 20 years on the frame
