specifications

Vendor Part Number:

394 - Multi-Angle Bench

Suggested Retail Price:

394 - \$2,409.⁷⁵

Assembly:

None required

Construction:

Durable powder coated 2" 11 gauge tubing and high quality upholstery and foam pads.

Function:

The Multi-Angle Bench can be used separately or together with any Endorphin pulleys to create a great variety of functional exercises. The head and foot sections are independent adjustable of one another, adjustments being +25° to -70° for the head section and +30° to -45° for the foot section. The leg support bolster assists with back extensions against gravity. It can be removed when not in use.

Features:

Wheels allow the bench to be easily moved into position for patient treatment. Angle adjustments are made easy with gas spring assistance on the adjustment tubes to help support the weight of the sections.

Endorphin's industry best warranty:

- 1 year bumper to bumper on all parts
- 5 years on all moving parts
- 20 years on the frame
